

DENISE MORENO RAMÍREZ

CURRICULUM VITAE

Community, Environment & Policy Department
Mel & Enid Zuckerman College of Public Health
University of Arizona
Roy P. Drachman Hall
1295 N Martin Ave
Tucson, AZ 85719
Email: dmoreno@arizona.edu

EDUCATION

- 2020 University of Arizona / Department of Environmental Science & the School of Anthropology / Tucson, Arizona
Ph.D., Soil, Water & Environmental Science & minor in Medical Anthropology
Dissertation Title: Voices of Sacrifice Zones: Oral History & Community-Engaged Research in Two Arizona Superfund Sites
(Advisors: Dr. Raina M. Maier & Dr. Mónica Ramírez-Andreotta)
- 2019 University of Arizona – School of Anthropology / Tucson, Arizona
Graduate Certificate in Medical Anthropology
- 2005 University of Arizona / School of Natural Resources & the Environment / Tucson AZ
M.S., Watershed Management
- 2000 Northern Arizona University / Department of Modern Languages & Center for Environmental Science & Education / Flagstaff, Arizona
B.A., Spanish & B.S., Environmental Science with an emphasis in Biology
Foreign study at the Universidad de Granada (Granada, Spain) 1999

PROFESSIONAL POSITIONS

- 2023 - Postdoctoral Research Associate / President's Postdoctoral Fellow / University of Arizona President's Office & Mel & Enid Zuckerman - College of Public Health / Tucson, Arizona
- 2022 – 2023 Postdoctoral Research Associate / National Institute of Environmental Health Sciences - T32 Training in Environmental Toxicology of Human Disease / University of Arizona Center for Toxicology & Mel & Enid Zuckerman - College of Public Health / Tucson, Arizona
- 2022 – 2022 Postdoctoral Research Associate / University of Arizona / Mel & Enid Zuckerman - College of Public Health, Community, Environment & Policy

Department / Tucson AZ

- 2021 - 2022 Marketing & Communication Manager / University of Arizona / Department of Environmental Science / Tucson, Arizona
- 2005 - 2021 Program Coordinator / University of Arizona / Superfund Research Center – Community Engagement Core & Dean Carter Binational Center for Environmental Health Sciences / Tucson, Arizona
- 2004 - 2005 Graduate Student Assistant / University of Arizona / Department of Hydrology & Water Resources / Tucson, Arizona
- 2001 - 2004 Research Specialist / University of Arizona / Udall Center for Studies in Public Policy / Tucson, Arizona
- 1999 - 1999 Border Tribal Office Intern / US Environmental Protection Agency / US-Mexico Border 2020 Program / San Diego, California
- 1998 - 2000 Saturday Academy Program Coordinator / Northern Arizona University / Institute for Tribal Environmental Professionals / Flagstaff, Arizona
- 1996 - 1998 Undergraduate Student Researcher / Northern Arizona University / Phytoremediation of Acid Mine Drainage Using Water Hyacinths (Dr. Michael Ort Environmental Laboratory) / Flagstaff, Arizona

PROFESSIONAL AWARDS

- 2023 President's Postdoctoral Fellowship – University of Arizona / University of California Office of the President
- 2022 T32 Training in Environmental Toxicology of Human Disease Fellow - Center for Toxicology, University of Arizona
- 2022 Agents of Change in Environmental Justice Fellow – Environmental Health Sciences Department at Columbia University Mailman School of Public Health

ACADEMIC AWARDS

- 2019 SWESx Oral Presentation – Second Place / Department of Soil, Water & Environmental Science - University of Arizona
- 2018 SWESx Poster Presentation – Second Place / Department of Soil, Water & Environmental Science - University of Arizona
- 2017 - 2018 Agnese Nelms Haury Fellow / Institute of the Environment / University of Arizona

- 2017 Science & Humanities Communication Fellow / Museum of Art / University of Arizona
- 2017 - 2019 Trainee Representative / Student, Postdoc, Alumni Network / National Institute of Environmental Health Sciences Superfund Research Program
- 2016-2020 National Institute of Environmental Health Sciences Superfund Trainee / Superfund Researcher Program / University of Arizona
- 2000 Sigma Delta Pi / National Colligate Hispanic Honor Society
- 1996 BF Scholar / Multicultural Student Center / Northern Arizona University

PUBLICATIONS

REFEREED JOURNAL ARTICLES

1. Moreno Ramírez D., Herrera Y., Ramírez-Andreotta M.D., Lee J.A., & Maier R.M. 2024. Voices Unheard Arizona's Environmental History: Community-engaged oral history and hazardous contaminated sites. *Oral History Review* (accepted).
2. Moreno Ramírez D, Gutenkunst S, Lothrop N, Quijada C, Chaires M, Cortez, I, Sandoval F, Camargo FJ, Gallardo EV, Torabzadeh E, Wagoner R, Lopez-Galvez N, Ingram M, Billheimer D, Wolf AM, Beamer PI. 2023. What a mix! Volatile organic compounds and worker exposure in small business beauty salons in Tucson, Arizona. *Front Public Health*. 2023 Dec 18;11:1300291. doi: 10.3389/fpubh.2023.1300291. PMID: 38164445; PMCID: PMC10757921.

RESEARCH SUPPORT

GRANTS

- 2023 Moreno Ramírez D. Local & Scientific Climate Change Knowledge of Geographical Spaces Communicated Creatively to Inform Mitigation & Adaptation Solutions. University of Arizona President's Office, Total Award Amount \$5,000 (PI).
- 2015 - 2017 Chief K., Field J.A., Moreno Ramírez D., & Maier R.M. Hazardous Waste Risk & Remediation in the Southwest. National Institute of Environmental Health Sciences Superfund Research & Training Program (P42) – Community Engagement Core, Total Award Amount: \$172,125 (Co-I).
- 2013 - 2014 Brusseau M. & Moreno Ramírez D. Phytoscreening as a Cost-Effective Method for Characterizing Soil & Groundwater Contamination. Competitive Grant - Water Environmental & Energy Solutions, Total Award Amount: \$39,175 (Co-PI).
- 2012 - 2013 Moreno Ramírez D. & Wilkinson S. Educating Community Health Advocates about Health Risks from Environmental Exposures. Community Connection Grant - University of Arizona Foundation, Total Award Amount: \$10,000 (Co-PI).

- 2011 Gandolfi A.J., Field J.A., & Moreno Ramírez D. Conduits of Environmental Health to Citizens in the Border Region. Conference Grant - National Institute of Environmental Health Sciences Superfund Research Program, Total Award Amount: \$40,650 (Project Coordinator).
- 2010 - 2011 Gandolfi A.J., Field J.A., & Moreno Ramírez D. Transferable Training Modules on Environmental Health for Promotoras on the U.S.-Mexico Border. U.S. Environmental Protection Agency Border 2012 Program/Border Environmental Cooperation Commission, Total Award Amount: \$28,398 (Project Coordinator).
- 2008 - 2012 Betterton E., Wolf A.M., Moreno Ramírez D., Ramírez-Andreotta M.D. Multimedia Pollution Prevention via Promotora Trainings. Grant Program - U.S. Environmental Protection Agency Office of Pollution Prevention, Total Award Amount: \$360,000 (Co-I).
- 2008 Ramírez-Andreotta M.D., Moreno Ramírez D., Velez M.T., McCormick R. H2O Stewardship: Building Human Capacity for the U.S. – Mexico Border Region. Competitive Grant - Water Sustainability Program, University of Arizona, Total Award Amount: \$10,000 (Co-PI).
- 2003 Browning-Aiken A. & Moreno D. ECOSTART: An Environmental Education & Exchange Program in the Upper San Pedro River Basin. U.S. Environmental Protection Agency, Total Award Amount: \$17,800 (Co-PI).
- 2001 - 2002 Browning-Aiken A. & Moreno D. ECOSTART: Facilitate Environmental Education Along the U.S.-Mexico Border. Border PACT Grant - Consortium for North America Higher Education Collaboration, Total Award Amount: \$20,000 (Co-PI).

ACADEMIC FELLOWSHIPS & SCHOLARSHIPS

- 2019 - 2020 Stanley Alcorn Scholarship / College of Agriculture & Life Sciences / University of Arizona
- 2018 - 2019 Wallace H. Fuller Fellowship / College of Agriculture & Life Sciences / University of Arizona
- 2017 - 2018 Carson Scholarship / Institute of the Environment / University of Arizona
- 2017 Graduate Scholarship / Tucson Water Department / City of Tucson
- 2005 Graduate Access Fellowship / Graduate College / University of Arizona
- 2004 - 2005 Tinker Foundation Fellowship / Center for Latin American Studies / University of Arizona

- 2000 Environmental Management Fellowship / Institute for Tribal Environmental Professionals / Northern Arizona University
- 1996 - 2000 High Honors Tuition Scholarship / Arizona Board of Regents / Northern Arizona University
- 1996 - 1998 BF Scholar Scholarship / Multicultural Student Center / Northern Arizona University

ORAL PRESENTATIONS

INTERNATIONAL INVITED PRESENTATIONS

1. Community Engagement in Exposure Science Panel Discussion, delivered at the International Society of Exposure Science Monthly Webinar, Virtual, January 23, 2023.
2. Panel Discussion: Disconnected Waters: What do Cities, Governments, Ecosystems, Native Nations, & the Voiceless have to Say to One Another? delivered at the Madrean Conference 2018, Tucson, Arizona, May 17, 2018.
3. Transferable Training Modules on Environmental Health for Promotoras on the U.S.- Mexico Border, delivered at the Arizona-Sonora Border 2012 Regional Workgroup: Air Quality & Children's Environmental Health Task Force Meeting, Nogales, Sonora, Mexico, February 2, 2011.
4. Dean Carter Binational Center – Outreach at The University of Arizona, delivered at the Binational Center Retreat, Mexico City, Federal District, Mexico, September 21, 2010.
5. The University of Arizona's USAID TIES Program: Panel Discussion on Health, delivered at the U.S. & Mexico Strengthening TIES: Expanding the Impacts Conference, USAID & Higher Education for Development, Juriquilla, Queretaro, Mexico June 2007.
6. Centro Binational Estados Unidos-México para Ciencias Ambientales y Toxicología, delivered at the 10° Seminario de Medio Ambiente de Minera México, Southern Copper Minera Mexico, Nacozari, Sonora, Mexico February 2007.

NATIONAL INVITED PRESENTATIONS

1. Mining Through the Lens of Environmental Justice, delivered at the Santa Cruz County Advisory Panel to the South32 Hermosa Project, Virtual, December 13, 2023.
2. Local & Scientific Climate Change Knowledge of Geographical Spaces Communicated Creatively to Inform Mitigation & Adaptation Solutions, delivered at the Members Meeting of the Patagonia Museum, Patagonia, Arizona, December 9, 2023.

3. Panelist, delivered at the 2023 Step-Up Program Career Panel organized by Society for Public Health Education, Virtual, November 7, 2023.
4. Voices Unheard: From Environmental Justice Communities to Environmental Justice Scholars, delivered at the Health Effects Institute Journal Club, Virtual December 14, 2022.
5. Voices Unheard: Arizona's Environmental History, delivered at the National Institute of Environmental Health Sciences Superfund Research Program Community Engagement & Research Translations Monthly Meeting, Virtual, April 8, 2021.
6. Participatory Oral History for Community Members: Voices Unheard – Arizona's Environmental History, delivered at the Arizona History Museum Southern Arizona Archives Bazaar, Tucson, Arizona, October 26, 2019.
7. Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Town Council Meeting, Dewey-Humboldt, Arizona, October 10, 2017.
8. Community Based Outreach: Promotora Designed Transferable Training Modules on Environmental Risk Assessment, delivered at Michigan State University Department of Sociology Brown Bag Lecture, Lansing Michigan, November 15, 2015
9. Arizona Superfund Site Oral History Project, delivered at the Dewey-Humboldt Town Council Meeting, Dewey-Humboldt, Arizona, December 15, 2015.
10. Pollution Prevention through Peer Education, delivered to Matthew Tejada, Director of US EPA Office of Environmental Justice, Tucson, Arizona, November 17, 2015.
11. Sustainability: Mining & Community Engagement, delivered at the Fresnillo Mining Company Meeting, Tucson, Arizona, July 8, 2015.
12. Sustainability: Mining & Community Engagement, delivered at the Fresnillo Mining Company & Instituto Tecnológico Autónomo de México Meeting, Tucson, Arizona, June 9, 2015.
13. Working with Community Engagement Cores, delivered the National Institute of Environmental Health Sciences Superfund Research Program Annual Meeting, San Jose, California, November 13, 2014.
14. Community-Engaged Research in Environmental Science: Process & Application, delivered at the Southern Arizona Environmental Management Society Meeting, Tucson, Arizona, October 29, 2014.
15. Sustainability: Mining & Community Engagement, delivered at Southern Arizona Business Coalition Meeting, Tucson, Arizona, May 9, 2014.
16. Communicating Pesticide Information through Transferable Training Modules to Hispanic Community Health Workers, delivered at Entomological Society of America Pacific Branch Meeting, Tucson, Arizona, April 6, 2014.
17. Community Engagement in the U.S.-Mexico Border, delivered at Collaborative on Health & the Environment Environmental Justice & the Superfund Research Program: Community Collaborations Making a Difference Webinar – Boston University, Online Webinar, October 24, 2013.

18. Pollution Prevention Program Targeting Small Businesses in Tucson, delivered at the U.S. Environmental Protection Agency/University of Arizona Superfund Research Program Live at Region 9 & Office of Pollution Prevention Brown Bag, San Francisco, California, July 24, 2012.
19. Environmental Health Transferable Training Modules Targeting Promotoras, delivered at the Superfund Research Program Risk e-Learning Web Seminar Series, Online Webinar, July 7, 2012.
20. University of Arizona Superfund Research Program, delivered at the CEI National Technical Assistance Workshop, Online Webinar, January 19, 2011.
21. Engaging promotoras in environmental health science: Methods & materials, delivered at the Partnership for Environmental Public Health Program - National Institute of Environmental Health Sciences, Online Webinar, August 24, 2010.
22. Toward & Informed Mexican & Mexican American Citizenry, delivered at the 2008 Hispanic Heritage Celebration (keynote speaker/speech), National Institute of Environmental Health Sciences, Research Triangle Park, North Carolina, September 2008.
23. The U.S.-Mexico Binational Center for Environmental Sciences & Toxicology, delivered at the CASA Project/Rose Family Center Promotora Training, CASA Project & the Tucson Unified School District, Tucson, Arizona, September 2007.
24. Border 2012 Progress Report: Mine Tailings in Nacozari, Sonora, Mexico (Moctezuma Mine), delivered to the Arizona-Sonora Border 2012 Waste & Enforcement Task Force Meeting, U.S. Environmental Protection Agency Region 9, Bisbee, Arizona, June 2007.
25. The U.S.-Mexico Binational Center for Environmental Sciences & Toxicology, delivered to the Field Coordinating Committee, U.S. Geological Survey, Tucson, Arizona, April 2007.
26. The Newly Established U.S.-Mexico Binational Center for Environmental Sciences & Toxicology, delivered at the Arizona/Sonora Border 2012 Waste & Enforcement Task Force Meeting, U.S. Environmental Protection Agency Region 9, Rio Rico, Arizona, November 2006.
27. The U.S.-Mexico Binational Center for Environmental Sciences & Toxicology, delivered to the Management Committee, Southwest Consortium for Environmental Research & Policy, Rio Rico, Arizona, May 2006.
28. ECOSTART: A New Environmental Education Program, delivered at the Coordinator's & Outreach Workshop, Hands Across the Border, Tucson, Arizona, November 2001.

UA INVITED PRESENTATIONS

1. Community-Engaged Oral History: Preserving Voice, Memory, & Knowledge About Hazardous Contaminated Sites delivered at the Mel & Enid Zuckerman College of

- Public Health College Wide Seminar: Community, Environment, & Policy Department, Virtual, Tucson, Arizona, April 8, 2020.
2. Oral Histories of Contamination: Creating Community-Engaged Opportunities, delivered at the Department of History Public History Collaborative Monthly Workshop, Tucson, Arizona, October 24, 2019.
 3. Oral Histories of Contamination: Creating Community-Engaged Research Opportunities, delivered at the University of Arizona School of Information Colloquium, Tucson, Arizona, February 8, 2019.
 4. Voices Unheard: Access to Oral History Interview About Hazardous Contamination, delivered at the University of Arizona Libraries Open Access Week Should Research Data Always be Open? Lecture Series, Tucson, Arizona, October 31, 2018.
 5. Oral Histories of Contamination: Creating Community Dialogues on the Environment, delivered at the University of Arizona College of Science, Science Café Series, Tucson, Arizona, March 8, 2018.
 6. The Basics: Environmental Toxicology Lecture & Hands-on Activities, delivered at the Bureau of Indian Affairs Water Resources Technician Training, Tucson, Arizona, August 1, 2017.
 7. Promotora de Salud Designed Transferable Training Modules & Tribal Community College Educational Modules, delivered to Dr. Rodolfo Lacy Tamayo, the Subsecretary of Planning & Environmental Policy of Mexico's Secretariat of the Environmental & Natural Resources, Tucson, Arizona, March 7, 2017.
 8. Environmental Risk & Toxicology 101, delivered at the Bureau of Indian Affairs Water Resources Technician Training, Tucson, Arizona, August 1, 2016.
 9. Sustainability: Mining & Community Engagement, delivered at Center for Environmentally Sustainable Mining Profile Event, Phoenix, Arizona, April 2, 2014.
 10. Community Engagement Core, delivered at the University of Arizona Superfund Research Program External Advisory Board Meeting, Tucson, Arizona, November 1, 2013.
 11. University of Arizona Community Engagement Core, delivered at the University of Arizona Superfund Research Program External Advisory Board Meeting, Tucson, Arizona, October 19, 2012
 12. Universities & Stakeholders: Taking Science Outside of the Laboratory, delivered at the Osher Lifelong Learning Institute, University of Arizona CLIMAS, Tucson, Arizona, January 29, 2010.
 13. Universities & Stakeholders: Taking Science Out of the Laboratory, delivered at the Superfund Research Colloquium, University of Arizona, Tucson, Arizona, September 2009.
 14. Mine Tailings & Stakeholders: Collaborative-Based Binational Research & Outreach in Nacozari de Garcia, Sonora, Mexico, delivered at the National Endowment for the Humanities Summer Institute – Nature & History at the Nation's Edge: A Field

Institute in Environmental & Borderlands History, University of Arizona, Tucson, Arizona, July 2009.

15. Mine Tailings & Stakeholders: Collaborative-Based Binational Research & Outreach in Nacozari de Garcia, delivered at the College of Law Environmental Breakfast Club, the University of Arizona, Tucson, Arizona, May 2009.
16. Public Participation & Integrated Water Resource Management: Lesson from South of the Border, delivered at the Tinker Tertula Speaker Series, Center for Latin American Studies & the University of Arizona, Tucson, Arizona, November 2004.

COMMUNITY ENGAGEMENT & RESEARCH TRANSLATION INVITED PRESENTATIONS

1. Moreno Ramírez D., The Journey for Environmental Justice in the Arizona-Sonora Borderlands: People, Spaces & History, Delivered at the Mine Think Event hosted by The Calabasas Alliance, Tubac, Arizona, October 4, 2023.
2. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, March 11, 2020.
3. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, January 15, 2020.
4. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, December 11, 2019.
5. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Historical Society, Dewey-Humboldt, Arizona, December 11, 2019.
6. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, December 11, 2019.
7. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, July 17, 2019.
8. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, June 12, 2019.
9. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, April 17, 2019.
10. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Barrio Nopal Neighborhood Association, Tucson, Arizona, March 14, 2019

11. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Historical Society Meeting, Dewey-Humboldt, Arizona, March 13, 2019.
12. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, March 13, 2019.
13. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Sunnyside Neighborhood Association, Tucson, Arizona, February 25, 2019.
14. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, December 19, 2018.
15. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Historical Society Meeting, Dewey-Humboldt, Arizona, November 14, 2018.
16. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, October 17, 2018.
17. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, September 12, 2018.
18. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, July 18, 2018.
19. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Historical Society Meeting, Dewey-Humboldt, Arizona, July 11, 2018.
20. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, June 13, 2018.
21. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, April 18, 2018.
22. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, March 14, 2018.
23. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, January 17, 2018.
24. Moreno Ramírez D., Voices Unheard Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, December 13, 2017.

29. Moreno Ramírez D., Arizona Superfund Site Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, March 10, 2017.
30. Moreno Ramírez D., Tucson International Airport Area Unified Community Advisory Board Oral History Project Update, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, January 18, 2017.
31. Moreno Ramírez D., Arizona Superfund Site Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, December 20, 2016.
32. Moreno Ramírez D., Tucson International Airport Area Unified Community Advisory Board Oral History Project Update, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, July 20, 2016.
33. Moreno Ramírez D., Arizona Superfund Site Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, June 7, 2016.
34. Moreno Ramírez D., Tucson International Airport Area Unified Community Advisory Board Oral History Project Update, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, April 20, 2016.
35. Moreno Ramírez D., Arizona Superfund Site Oral History Project, delivered at the Midvale Park Community & Environmental Taskforce, Tucson, Arizona, March 3, 2016.
36. Moreno Ramírez D., Arizona Superfund Site Oral History Project, delivered at the Dewey-Humboldt Community Environmental Board, Dewey-Humboldt, Arizona, January 21, 2016.
37. Moreno Ramírez D., Tucson International Airport Area Unified Community Advisory Board Oral History Project Update, delivered at the Tucson International Airport Area

Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, January 20, 2016.

38. Moreno Ramírez D., Tucson International Airport Area Unified Community Advisory Board Oral History Project Update, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, October 15, 2015.
39. Moreno Ramírez D., Tucson International Airport Area Unified Community Advisory Board Oral History Project Update, delivered at the Tucson International Airport Area Unified Community Advisory Board Quarterly Meeting, Tucson, Arizona, July 15, 2015.
40. Moreno Ramírez D., Ramírez M., Brusseau M. Groundwater Basics: Presenting the Groundwater Flow Model, delivered at the TCE Symposium, The University of Arizona College of Pharmacy, Tucson, Arizona, January 20, 2011.
41. Moreno Ramírez D. & Ramírez M., Groundwater Basics: Presenting the Groundwater Flow Model, delivered at Wakefield Middle School, Tucson, Arizona, May 4, 2010.
42. Moreno Ramírez D., Ramírez M., Brusseau M., & Saez E. An Introduction to Trichloroethene (TCE), delivered to the United Advisory Committee of Goodyear, U.S. Environmental Protection Agency & the Arizona Department of Environmental Quality, Goodyear, Arizona, August 2007.

INTERNATIONAL SUBMITTED PRESENTATIONS

1. Moreno Ramírez D., Villaseñor F., Browning-Aiken, A. Construyendo Alianzas: Cuenca Alta del Río San Pedro, delivered at the 2do Foro Internacional: Gestión Social de Cuencas Hidrográficas, Comisión Nacional del Agua & University of Sonora, Hermosillo, Sonora, Mexico, May 2004.
2. Moreno Ramírez D. & Browning-Aiken A., Asociación Regional Ambiental Sonora-Arizona: Grassroots Environmentalism along the U.S.-Mexico Border, delivered at the Hydrology for the Environment, Life & Policy (HELP) International Symposium, United Nations Education, Scientific, & Cultural Organization & The Swedish Research Council, Kalmar, Sweden, August 2002.
3. Moreno Ramírez D., Educación Ambiental en la Frontera EE.UU.-México, delivered at the Foro Binacional Desarrollo Comunitario Sustentable Hoy: Experiencias en Sonora, Experiencias en Arizona, Red Fronteriza de Salud y Ambiente A.C., International Sonoran Desert Alliance, & the University of Sonora, Hermosillo, Sonora, Mexico, September 2001.

NATIONAL SUBMITTED PRESENTATIONS

1. Moreno Ramírez D., Ramírez-Andreotta M, Lee J., Nichter M., & Maier R. Community-Engaged Oral History: Voices Unheard Arizona's Environmental History,

delivered at the American Association for Geographers Annual Meeting, Online Webinar, April 9, 2021.

2. Veal L. & Moreno Ramírez D. Pollution Prevention Program Targeting Small Businesses in Tucson, delivered at the 2012 National Cancer Latino Summit (plenary speech), San Francisco, California, July 25, 2012.
3. Veal L. & Moreno Ramírez D. P2 Outreach Program Targeting Minority Businesses in Tucson, 2012 Used Oil+HHW+WSPPN Training & Conference, Sacramento, California, May 17, 2012.
4. Moreno Ramírez D. Promotoras: Environmental Health Capacity Building in Hispanic Communities, delivered at the Inaugural Partnership for Environmental Public Health Program Meeting, National Institute of Environmental Health Sciences, Research Triangle Park, North Carolina, April 26, 2010.
5. Wells N., Moreno Ramírez D., & Ramírez M., delivered at the U.S. EPA Community Involvement Training Conference, Seattle, Washington, August 19, 2009
6. Moreno Ramírez D. & Ramírez M. What Really Counts: Transferring Information to Stakeholders - The Impact of Research Translation & Community Outreach Cores, delivered at the 2008 National Association of Remedial Project Managers Conference, U.S. Environmental Protection Agency, Portland, Oregon, July 2008.
7. Moreno Ramírez D., Cultural Competency, delivered at the EWIDS Core Workgroup Planning Meeting, The University of Arizona, Tucson, Arizona, April 2008.
8. Moreno Ramírez D., Community Collaboration, delivered at the Regional Meeting, National Resource Conservation District, Tucson, Arizona, August 2001.

UA SUBMITTED PRESENTATIONS

1. Moreno Ramírez D, Westdahl S, Lopez, E. Voices Unheard in Environmental Justice delivered University of Arizona's Wonder House at South by Southwest® (SXSW), Austin, Texas, March 12, 2023.
2. Moreno Ramírez D., Menjugas R., Ramírez-Andreotta M., Lee J., Nichter M., & Maier, R. Voices Unheard: Preserving Oral Histories about Contaminated Sites in Arizona, delivered at the SWESx Student Showcase, Tucson, Arizona, March 28, 2019.
3. Moreno Ramírez D., Morales M.L., Morales F., Vazquez S., Henriquez P., Wells N., Loh M., Field J.A., & Maier R.M. Promotora de Salud Designed Transferable Training Module on Environmental Risk Assessment, delivered at the SWESx Student Showcase, Tucson, Arizona, March 31, 2016.

POSTER PRESENTATIONS

INTERNATIONAL POSTER PRESENTATIONS

1. Moreno Ramírez D., Honan J., Gutenkunst S., Quijada C., Chaires M., Sneed S.J., Spitz R., Sandoval F., Ingram M., Carvajal S., Billheimer D., Wolf AM., Beamer P. What a Mix! Volatile Organic Compounds & Worker Exposure in Beauty Salon Small Businesses in Tucson, Arizona, delivered at the International Society for Exposure Science Annual Meeting, Lisbon, Portugal, September 2022.
2. Moreno Ramírez D., Quijada C., Gutenkunst S., Torabzadeh E., Wagoner R., Lopez-Galvez N., Lothrop N., Sandoval F., Cortez I., Ingram M., Billheimer D., Wolf AM., Beamer P., Beauty & Auto Small Businesses Maneuver the Multi-faceted Risks of the COVID-19 Pandemic, delivered at the International Society for Exposure Science Annual Meeting, Lisbon, Portugal, September 2022.

NATIONAL POSTER PRESENTATIONS

1. Moreno Ramírez D., Ramírez-Andreotta M., Lee J.A., Nichter M., & Maier R.M. Voices Unheard: Arizona's Environmental History, National Institute of Environmental Health Sciences Superfund Research Program 2020 Annual Meeting, virtual, December 14, 2020.
2. Moreno Ramírez D., Herrera Y., Navarro-McElhaney K., Nichter M., & Maier R.M. Voices Unheard: Documenting the Human Experience of Living Near Arizona Superfund Sites, National Institute of Environmental Health Sciences Superfund Research Program 2016 Annual Meeting, Durham, North Carolina, December 5, 2016.
3. Danny K., Chief K., Moreno Ramírez D., Maier R.M. Empowering mining-impacted tribal communities with educational modules, National Institute of Environmental Health Sciences Superfund Research Program 2016 Annual Meeting, Durham, North Carolina, December 5, 2016.
4. Wilkinson S.T., Moreno Ramírez D., Chief K., Neilson J.W., Brusseau M.L., Artiola J., & Maier R.M. The Center for Environmentally Sustainable Mining: An Industry-Academic Cooperative to Promote Environmental Stewardship of Mining Sites, National Institute of Environmental Health Sciences Superfund Research Program 2015 Annual Meeting, San Juan, Puerto Rico, November 19, 2015.
5. Brusseau M.L., Moreno Ramírez D., Wilkinson S.T., Maier R.M. Twenty Years of Research at the Tucson International Airport Area Superfund Site, National Institute of Environmental Health Sciences Superfund Research Program 2014 Annual Meeting, San Jose, California, November 13, 2014.
6. Moreno Ramírez D., Morales M.L., Morales F., Vasquez S., Henriquez P., Wells N., Loh M., & Maier R.M. Community-Based Outreach: Promotora Designed Transferable Training Modules on Environmental Risk Assessment, Partnerships

for Environmental Public Health Annual Meeting, Research Triangle Park, North Carolina, September 22, 2014.

7. Moreno Ramírez D., Morales M.L., Morales F., Vasquez S., Henriquez P., Wells N., Loh M., & Maier R.M. Community-Based Outreach: Promotora Designed Transferable Training Modules on Environmental Risk Assessment, National Institute of Environmental Health Sciences Superfund Research Program 2013 Annual Meeting, Baton Rouge, Louisiana, October 15, 2013.
8. Moreno Ramírez D., Wilkinson S.T., Brusseau M.L., Field J.A., Artiola J., Gandolfi A.J., Camenisch T.D., & Maier R.M. University of Arizona Superfund Research Program: Delivering Arizona Communities with Resources & Tools to Make Informed Decisions Regarding Contamination, US Environmental Protection Agency Community Involvement Conference, Boston, Massachusetts, July 30, 2013.
9. Moreno Ramírez D., Wilkinson S.T., Brusseau M.L., Field J.A., Artiola J., Gandolfi A.J., Camenisch T.D., & Maier R.M. University of Arizona Superfund Research Program: delivering Arizona Communities with Resources & Tools to Make Informed Decisions Regarding Contamination, National Institute of Environmental Health Sciences Superfund Research Program 2012 Annual Meeting, Kentucky, Tennessee, October 23, 2012.
10. Moreno Ramírez D., Field J.A., Gandolfi A.J., & Maier R.M. Packaging Environmental Trainings: Transferable Modules Targeting Community Health Workers, National Institute of Environmental Health Sciences Superfund Research Program 2011 Annual Meeting, Raleigh, North Carolina, October 24, 2011.
11. Moreno Ramírez D., Ramírez M., Estrella R., Field J.A., Maier R., & Brusseau M.L. Community Conduits: Working with Promotoras to Engage Underrepresented Populations in the Environmental Sciences, National Institute of Environmental Health Sciences Superfund Research Program 2010 Annual Meeting, Portland, Oregon, November 10, 2010.
12. Moreno Ramírez D., Meza-Figueroa D.M., Maier R.M., Field J.A., & Gandolfi A.J. Stabilizing Mine Tailings: Multistakeholder Outreach & Science Research in Mexico & the United States, National Institute of Environment Health Science Superfund Research Program 2008 Annual Meeting, Research Triangle Park, North Carolina, December 3, 2009.
13. Moreno Ramírez D., Ramírez M., Estrella R., Artiola J., Brusseau M.L., Field J.A., Maier R.M., & Gandolfi A.J. Towards an Informed Mexican & Mexican-American Citizenry: Bridging the Gap to Increase Human Capacity & Informed Decision-Making, American Geophysical Union Fall Meeting, San Francisco, California, December 15-19, 2008
14. Moreno Ramírez D., Ramírez M., Estrella R., Artiola J., Brusseau M.L., Field J.A., Maier R.M., & Gandolfi A.J. Towards an Informed Mexican & Mexican-American Citizenry: Bridging the Gap to Increase Human Capacity & Informed Decision-Making, National Institute of Environment Health Science Superfund Research

Program 2008 Annual Meeting, Research Triangle Park, North Carolina, December 3, 2008.

15. Moreno Ramírez D., Estrella R., Field J.A., & Gandolfi A.J. Working Across Borders: The U.S.-Mexico Binational Center for Environmental Science & Toxicology, National Institute of Environment Health Science Superfund Research Program 2007 Annual Meeting, Research Triangle Park, North Carolina, December 3, 2007.
16. Moreno Ramírez D., Ramírez M., Estrella R., Brusseau M.L., Field J.A., & Gandolfi A.J. What Really Counts: Transferring Information to Stakeholders – The Impact of Research Translation & Community Outreach (RT/CO) Cores, National Institute of Environment Health Science Superfund Research Program 2007 Annual Meeting, Research Triangle Park, North Carolina, December 3, 2007.
17. Moreno Ramírez D., Estrella R., Field J.A., Ramírez M., Brusseau M.L., Artiola J.F., & Gandolfi A.J. Dynamically Defining Research Translation & Outreach (RT/O): The Impact of The University of Arizona Superfund Basic Research Program's RT/O Core, National Institute of Environment Health Science Superfund Research Program 2006 Annual Meeting, New York, New York, December 11, 2006.
18. Moreno Ramírez D., Field J.A., & Gandolfi, A.J. Outreach to the Southwest Hispanic Communities & Neighboring Mexico, National Institute of Environment Health Science Superfund Research Program 2006 Annual Meeting, New York, New York, December 11, 2006.

UA POSTER PRESENTATIONS

1. Moreno Ramírez D., Herrera Y., Navarro-McElhaney K., Nichter M., & Maier R.M. Voices Unheard: Documenting the Human Experience of Living Near Arizona Superfund Sites, SWESx 2018 Student Showcase, Tucson, Arizona, April 11, 2018.
2. Danny K., Chief K., Moreno Ramírez D., Maier R.M. Empowering mining-impacted tribal communities with educational modules, SWESx 2018 Student Showcase, Tucson, Arizona, April 11, 2018.
3. Moreno Ramírez D., Herrera Y., Navarro-McElhaney K., Nichter M., & Maier R.M. Voices Unheard: Documenting the Human Experience of Living Near Arizona Superfund Sites, SWESx 2017 Student Showcase, Tucson, Arizona, March 29, 2017.
4. Moreno Ramírez D., Wilkinson S.T., Brusseau M.L., Field J.A., Artiola J., Gandolfi A.J., Camenisch T.D., & Maier R.M. University of Arizona Superfund Research Program: Delivering Arizona Communities with Resources & Tools to Make Informed Decisions Regarding Contamination, Frontiers in Biomedical Research, Tucson, Arizona, November 7, 2012.

TEACHING EXPERIENCE

INSTRUCTOR / UNIVERSITY OF ARIZONA / TUCSON AZ

Environmental Science Seminar - Hazardous Waste Risk & Remediation in the US Southwest (years taught 2015 – 2017)

INVITED LECTURER

Environmental Science Capstone / University of Arizona / Tucson AZ (year taught 2018)

Medical Anthropology - Toxic! The Anthropology of Exposure / University of Arizona Tucson AZ (year taught 2018)

Environmental Science - Soil & Groundwater Remediation / University of Arizona / Tucson AZ (year taught 2018)

Geography - Sustainable Development / University of Arizona / Tucson AZ (years taught 2018 – 2019)

Medical Anthropology - Ecological Anthropology / University of Arizona / Tucson AZ (year taught 2017)

Science - Environmental Science / ITT Technical Institute / Tucson AZ (year taught 2014)

Public Health - Community-Based Participatory Research - Environmental Health / Northeastern University / Boston MA (year taught 2013)

Science - Adult Lecture Series / OASIS Institute / Tucson AZ (year taught 2006)

SERVICE

PROFESSIONAL MEMBERSHIPS

2023 Board Member / Board of Directors / Sky Island Alliance

2015 Technical Advisory Committee Member / Systems for Action Program / Robert Wood Johnson Foundation

2014 - 2018 Advisory Board Member / Indigenous Stewards Magazine / University of Arizona

2013 - 2016 Board Member / Environmental Quality Advisory Council / Pima County Department of Environmental Quality

2007 - 2009 Board Member / Advisory Board / Sonora Environmental Research Institute, Inc.

PROFESSIONAL ADHOC REVIEWER

- 2023 Manuscript Reviewer / Piloting an Oral History Approach to Investigate Cancer Perspectives Among Residents of Appalachian Kentucky / Journal of Appalachian Health
- 2020 Poster Judge / Superfund Annual Meeting / National Institute of Environmental Health Sciences Superfund Research Program
- 2016 Scholarship Reviewer / Dr. María Teresa Vélez Women Minority Scholarship / Las Adelitas

ACADEMIC REVIEWER

- 2021 Scholarship Reviewer / Carson Scholars / University of Arizona Carson Scholars Program
- 2019 Poster Judge / Earth Week SWESx / University of Arizona Department of Soil, Water, & Environmental Science
- 2018 Oral Presentation Judge / Earth Week SWESx / University of Arizona Department of Soil, Water, & Environmental Science
- 2016 Grant Reviewer / Graduate & Professional Student Council / University of Arizona

PROFESSIONAL LICENSURES & CERTIFICATIONS

- 2020 Medical Anthropology / University of Arizona
- 2002 Mediation & Collaborative Conflict Resolution / Ann Yellott & Associates
- 2001 Water Resources Educator Facilitator / University of Arizona – Arizona Project WET

PROFESSIONAL WORKSHOP, SYMPOSIUM & CONFERENCE COMMITTEES

- 2023 Qualitative & Quantitative Social Science for Environmental Health Research & Action Symposium / 2023 International Society for Exposure Science Annual Meeting / Chicago, Illinois.
- 2014 Latin American Conference on Mining: Protecting Vulnerable Populations & the Surrounding Environment / Dean Carter Binational Center for Environmental Health Sciences & Superfund Research Program Conference / University of Arizona / San Luis Potosi, San Luis Potosi, Mexico.
- 2014 Public Participation in Scientific Research Panel / Superfund Research Program Annual Meeting / National Institute of Environmental Health Sciences, San Jose, California.
- 2011 Community Engagement Opportunities with NIEHS Superfund Research Program Panel / Community Involvement Conference / U.S. Environmental Protection Agency, Arlington, Virginia.

- 2010 Acid Mine Drainage: Characterization, Remediation, & Human Health Effects / Dean Carter Binational Center for Environmental Health Sciences & Superfund Research Program Conference / University of Arizona / Taxco, Guerrero, Mexico.
- 2009 Working Together: Aligning Communities, Academia & the US EPA Panel / Community Involvement Training Conference / U.S. Environmental Protection Agency, Seattle, Washington.
- 2008 Health Impacts, Management, & Treatment of Contaminants in Southern Sonora / Dean Carter Binational Center for Environmental Health Sciences & Superfund Research Program Conference / University of Arizona / Ciudad Obregon, Sonora, Mexico.
- 2007 Health Effects & Remediation of Mine Tailings / Dean Carter Binational Center for Environmental Health Sciences & Superfund Research Program Conference / University of Arizona / San Luis Potosi, San Luis Potosi, Mexico.
- 2007 U.S.-Mexico Binational Center for Environmental Health Sciences Inaugural Ceremony / Dean Carter Binational Center for Environmental Health Sciences & Superfund Research Program Conference / University of Arizona / Tucson, Arizona.
- 2007 SRP Interactions with Mexico as a Model for Global Environmental Health Networks / Dean Carter Binational Center for Environmental Health Sciences & Superfund Research Program Workshop / University of Arizona / Tucson, Arizona.
- 2006 Environmental Sciences & Toxicology: The Lagunera Region / Dean Carter Binational Center for Environmental Health Sciences & Superfund Research Program Specialized Workshop / University of Arizona / Torreon, Coahuila, Mexico.
